Marlow Community Association
The 100 Club

We request your help in raising funds for MCA by joining our 100 Club for the coming year (March to February). As a member, you will automatically be entered into our monthly draw in which the winner receives half of that month's contribution.

The annual membership fee is £12 of which half goes towards the monthly prizes. If you join after the beginning of March, the annual fee is reduced by £1 for each month missed. E.g. if you join in May, the fee would be £10. With a full list of 100 members, MCA would benefit by £600 and the monthly winner would receive £50.

If you are already a member & your details haven't changed, you just need to contact the office to confirm you wish to renew and make payment. If you are a new member or your details need to be updated, please complete the form below, return it to the office and make payment. See contact details below. The office is open on weekday mornings except Wednesday.

Payment of the £12 fee by BACS is preferred, using the details here and your first initial & surname as the reference.
